

#ViolenceIsNEVEROk
WORKPLACE

AGREED VALUES	CODES OF BEHAVIOUR
Community Collaboration	We will stand up, speak out and work together with others for a violence free community.
Respect and cultural diversity	We will acknowledge and value traditions and cultural differences, and demonstrate respectful relationships with family, friends, work colleagues and other community members.
Equality	We will support gender equality by promoting women's independence and decision making in the workplace.
Safety	We will promote non-violent attitudes, language and behaviour to create a safer community.
Social Justice	We will work together to address unequal norms, practices and structures that lead to increased family violence.
