NAMING RIGHTS

WELCOME

By Hon Colin Barnett MLA, Premier; Minister for Tourism
& Hon Terry Redman MLA, Minister for Regional Development

Welcome to Geraldton for Festivals on the Foreshore 2016.

Locals and visitors are set to enjoy an exciting fortnight of events centred on the city's vibrant waterfront.

Beginning with the Seas the Day exhibition and concluding with the disembarkation of the unique Duyfken replica, the festival program also features artistic and sporting workshops, the Geraldton Ocean Classic, night markets and entertainment for all ages.

The event is also a great opportunity to experience the picturesque surrounds and rich history of Geraldton and the wider Mid West region.

Festivals on the Foreshore is proudly supported by the Liberal National Government through Tourism Western Australia's Regional Events Scheme. The scheme is one of many initiatives made possible by Royalties for Regions.

Tourism is a vital industry for regional Western Australia. In the year ending March 2016, visitors spent \$9.3 billion in the State, including \$4.3 billion in regional areas. The State Government's goal is to see the contribution of regional tourism to the economy increase to \$4.75 billion by 2020.

Events are a key part of this strategy because they provide significant economic, social and cultural benefits to regional communities, making them exciting places to visit as well as great places to live.

Royalties for Regions invests in a variety of initiatives to help grow Western Australia's regional areas into thriving and sustainable communities, and tourism plays an important role in achieving this.

Congratulations to the organisers and volunteers involved with Festivals on the Foreshore.

We hope you enjoy your time in Geraldton and the opportunity to experience Western Australia's Mid West within the Australia's Coral Coast.
