City of Greater Geraldton.
City Council Chief Executive Officer Ross McKim.

7th of February 2024.

Dear Ross McKim,

I am writing to you to request a further 5-year continuation of the annual donation to cover the amount imposed for rates for the Geraldton Greenough Rifle club on Lot 500 & Lot 1106 McCartney Road, Greenough.

The previous annual rates donation agreement over the last 5 years has made a noticeable difference in helping with the upkeep of the club's facilities & helping with the running of the club's events. We would like to thank the City of Greater Geraldton for this past generosity.

As a nonprofit sporting organization that holds over 40 events a year including two open competitions with participants traveling from as far as Karratha & Albany that is also mostly self-funded. The rates rebate has made a real difference in assisting members in continuing with their chosen sport.

The Geraldton Greenough Rifle club has been operating in the current location for close to 50 years & also leases part of the land to the Greenough Archery club. We are hoping both clubs can continue to do so for many years to come.

Warm Regards,

Neal Robson
