### OBJECTIVES

To encourage local economic activity by applying a price preference for Local Suppliers and locally sourced goods and services.

### POLICY STATEMENT

This policy applies to nominated procurement activities and is binding upon councillors, officers, temporary employees, and suppliers while engaged by the City of Greater Geraldton.

### POLICY DETAILS

A preference is applicable to Local Suppliers. A preference is also applicable to the identified local content of offers from non Local Suppliers.

#### 1. Goods and Services

A 10% price preference, to a maximum of \$50,000, applies to contracts for goods or services.

#### 2. Construction

A 5% price preference, to a maximum of \$50,000, applies to contracts for construction (building).

#### 3. Outsourced Goods and Services

A 10% price preference, to a maximum of \$500,000 (based on \$50,000 per annum to a maximum of ten years), applies to contracts for goods and services (including construction (building) services) where the goods or services were previously undertaken by the City. This preference applies on a once off basis and when the contract is renewed the standard preference applies.

#### 4. Conditions

Where a non Local Supplier seeks a price preference only those goods or services identified in the offer as being sourced from within the Prescribed Area may be included in the discounted calculations that form part of the assessment of a tender or quote when this policy is in operation.
