PETITION TO COUNCIL

Mayor
City of Greater Geraldton
PO Box 101
Geraldton, WA, 6531

We, the Residents and Ratepayers of Greater Geraldton,

Request:

Urgently and respectfully request the Council of the City of Greater Geraldton to immediately defer any activities associated with the development of the proposed Animal Management Facility, as identified in Agenda Item DCS 313 of the Ordinary Meeting of Council held on the 20th December 2016, until such time as the Wonthella Progress Association Inc members, and all residents, business proprietors and community clubs in the immediate vicinity of the proposed location of the Animal Management Facility have been afforded the opportunity to meet with the Council and the City to discuss what has been proposed by the City and endorsed by Council, according to the Minutes referred to above.

We note that the proposed Animal Management Facility is to be located on Bradford Street, in the vicinity of the Eastern end of 7th and 8th Street Wonthella, The Geraldton Turf Club and the Geraldton Golf Course.

Reason for Request:

We, the Ratepayers and Residents of Geraldton identified below and as attached, are extremely concerned about the serious impact Council's decision may have in regard to :

- diminishing the peaceful enjoyment of the residents of nearby homes
- the potential devaluation of residential property within the immediate vicinity
- the proposed use of land on the old railway reserve that is inconsistent with Council's previous decision to acquire the land solely for public recreational use and enjoyment
- lowering the amenity and visitor impression of the community's premier large outdoor entertainment venue, the Wonthella Oval, which has recently been upgraded by the Council at significant expense to accommodate State, National and International standard events
