This map has been designed as if you are heading south from the Geraldton Visitor Centre, located on Marine Tce.

**Installations 1 & 2 - McConkey Rd:** From the Geraldton Visitor Centre, make your way to the John Wilcock Link Overpass where Cathedral Ave becomes the Brand Highway. Continue along the Brand Highway for 15km, then turn left onto Jandanol Rd. Travel on Janandol Rd for 500m, then turn right onto McConkey Rd. Installation 1 is 800m down the road on the left. Installation 2 is a further 500m along the road.

**Installations 3 & 4 - Pioneer Museum:** Continue along McConkey Rd for 400m, then turn left to re-join the Brand Hwy. Continue along Brand Hwy for 4.5km, then turn right onto Phillips Rd. The Pioneer Museum will be on your immediate left. Installations 3 and 4 are located within the Pioneer Museum Gardens – entry to the gardens is free of charge.

**Installations 5, 6, 8, & 9 - Greenough Café and Visitor Centre:** Return back on to the Brand Hwy and continue driving south. Continue along Brand Hwy for 5km, then turn left onto McCartney Rd. Follow the signs to Greenough Café and Visitor Centre carpark. All installations aside from 7 can be found around the carpark (Installation 7 is located in the centre foyer of the Visitor Centre).

**Installation 10 - Walkway Recreation Centre:** Exit the Greenough Café and Visitor Centre carpark and turn left onto McCartney Rd. Continue along McCartney Rd for 3km, then turn right onto Evans Rd. Travel along Evans Rd for roughly 3.8km. Pull into the Walkaway Recreation Centre carpark to view installation 10.

**Installations 11 & 12 - Old Railway Park:** Exit Walkway Recreation Centre carpark and turn left onto Evans Rd. Drive for 300m, then turn left onto Padbury Rd. Installations are located at the Old Railway Park area, which will be on your immediate left at the corner of Evans Rd and Padbury Rd.

**Installations 13 & 14 - Ellendale Pool:** Exit Old Railway Park, turning right onto Padbury St, then left onto Levett Rd (Evans Rd turns in to Levett Rd at this intersection). Follow Levett Rd for 500m to the intersection with Nangetty-Walkaway Rd. Turn right onto Nangetty-Walkaway Rd and drive for 14km, then turn left onto Ellendale Rd. Installations 13 & 14 are located in the Ellendale Pool site, which is marked by signage.

**Installations 15 - Mingenew-Mullewa Rd:** Exit Ellendale Pool and travel back along Ellendale Rd to Nangetty-Walkaway Rd intersection. Turn left and continue along Nangetty-Walkaway Rd for 52km. Installation 15 will be in a rest stop on the right hand side of Mingenew-Mullewa Rd (Roughly 4km past the turnoff to Freeman Rd).

**Installations 16 - Mingenew-Mullewa Rd:** Exit the rest stop and continue driving along Mingenew-Mullewa Rd for 24km until it meets the Geraldton-Mt Magnet Rd intersection. Installation 16 is on the left just before the T-junction at Geraldton-Mt Magnet Rd.
