

HERITAGE SERVICES – PHOTOGRAPH APPLICATION FOR USE

The Geraldton Regional Library has an extensive photographic record of images and artworks, which are held in the Local History Collection.

As the intended use of this collection is to ensure the retention of local historic images for future use, many of these photos were donated by third parties, who donated with agreed conditions of use. The release of photos in many instances will be dependent on the Copyright Owner's Condition of Use. If the intended purpose of the application does not meet these conditions, the images will not be released.
