HARVEST & VEHICLE MOVEMENT BAN NOTIFICATION

The City of Greater Geraldton has implemented a system of being able to advise farmers/businesses of the imposing of Harvest and Movement of Vehicle Bans via a mobile phone SMS (text message). If a Ban has been imposed, all persons **registered** will be sent a text message advising of details.

If any person wishes to register their mobile phone number with the CGG for this service, would they please return this form to Fire Services at the City of Greater Geraldton – Civic Centre, or fax the details to 9956 6674, or via email council@cgg.wa.gov.au with your name and mobile phone number. By submitting your details, you are agreeing to participate in this scheme. **The form must be signed.**

Please complete this form as soon as possible to allow this process to be put in place by this Fire Season. All Bans will be broadcast on ABC radio as per previous years. **ABC Radio is still the primary means of notifying farmers of Bans and text messages should not be relied upon to be received in a timely manner as it is not a guaranteed service from Telstra.**
