Hello, I'm seeking your vote to be a second term councillor. I'm transparent and accountable, balanced in my views and diligent in my role as a councillor. I'm involved with various sporting and recreational groups, family groups, small business and not for profit organisations. I'm an active listener and represent the views of the community to council. I am open and honest and don't make promises I can't keep. When voting I ensure benefits flow to all parts of the community.

Some of the key challenges the City faces include:

- a. Greening the City, more tree canopy providing shade is essential
- b. Inner City Car Parking; frustrating, more parking options needed
- c. Coastal Protection; saving our beaches
- d. Crime Prevention; working closely with police and the community
- e. More Affordable Housing; attracting investment and seeking partners for new housing projects
- f. Recycling Waste; explore and implement financially viable options

Have your say, your postal vote is important.
