

# Traveling towards sustainability

City of  
Greater Geraldton  
a vibrant future

## BUDGET 2024/25

The City of Greater Geraldton continues to meet the challenges of balancing rising costs due to inflation with delivering community aspirations while remaining committed to keeping rate increases low.

While the 2024/25 Budget looks to the future, it also focuses on core business including infrastructure renewals.

We are pleased to present the following overview of the incentives and projects planned for the coming 12 months.

## CONSTRUCTION

Solar microgrid at the Geraldton Airport

## RENEWAL

Road, drainage and footpaths

## IMPROVEMENT

Aquatic and recreational facilities

## REPLACEMENT

Nangetty Walkaway Bridge

## INSTALLATION

Sporting light towers

## UPGRADE

Meru Recovery Station facilities

## DEVELOPMENT

Youth facilities

## FUNDING

Community projects
