Enrolment status	HORN, Benjamin is eligible to stand for election as a resident of the City of Greater Geraldton.

I first came to Geraldton in 2001 and have lived here for the last 14 years. I love this city, the lifestyle that it offers, surfing and the coastal environment. I also enjoy the sporting facilities on offer, from badminton and squash to soccer, croquet and basketball. I am a huge fan of the pump track, skate park and new cycle path out to Drummonds.

The council represents the people of Geraldton and I am standing for council to be a voice for all parts of the community, listening to the ideas of residents and sharing those with the council.

I would like to see the council focus on developing Geraldton for the benefit of all its residents, including more walking and cycling paths. Nobody should have to push a pram along the side of the highway to get to the shops. I strongly support the arts and love GRAG - we are lucky to have such a gallery. I would also like to see the CGG work further to provide spaces, opportunities and programs for youth in order to help reduce crime. Vote Ben!
