Application for Development Holiday Home on lot 81, no 6 Askew Road Geraldton

This is a cover letter to apply for a holiday home at the above address:

The area is close to shops (Rigters), the centre of town, and the beach. It is also a quiet street that has limited pass-through traffic. Also, the hospitals are both within walking distance. The outside is also monitored through security cameras on all sides of the property.

A large front lawn can accommodate two cars with trailers and rear parking if required. Noise management is addressed in the rules for staying on the premises and the fact that no outdoor activity areas exist.

Management of the property will be done through an external agent, there is a key lock box at the front door and cleaners are engaged regularly, There are at least 4 people at any given time that can be available for guests to contact if required, all within a ten-minute driving distance.

Smoke alarms, fire extinguishers and blankets are provided with a first aid kit with the required notices.
