

Sporting Facility Support Review

Criteria

1. DEMAND

Community Demand – i.e. number of active members using facility; seasonal use v 12 month use.

2. PROFILE

Ability of the facility to host regional/state/national events and to bring economic benefit to the Community.

3. COMMUNITY EXPECTATION

Community expectation of facilities commensurate with being a Regional Capital City and that are a minimum standard consistent with intended use.

4. COST

Cost of maintenance of facility infrastructure compared to use (and / or for other like facilities).

5. CAPACITY

Capacity of stakeholders to work with the City to manage their facility, including progressing their own financial sustainability.

6. DIVERSITY AND MULTI-USE

Sporting and Cultural diversity is supported via multi use.

7. PUBLIC OPEN SPACE Ranking

Ranking within the Public Open Space Strategy.

8. STRATEGIC ALIGNMENT

Alignment with Council adopted strategies – e.g. Sporting Futures
