Jo Norman started this petition to Main roads dept Geraldton

We the residents of Geraldton, want the intersection of Barrett drive and Brand Highway, ungraded to eliminate more accidents and deaths.

This needs to be corrected immediately!!

There have been multiple accidents and a death already. The latest victim sustained a broken neck. Residents need to feel safe driving on our roads!!!

This has been tagged to be fixed in October 2021, not good enough, it needs to happen now!!!
