

**City of Greater Geraldton – Local Planning Scheme No. 1
Amendment No. 7 – Schedule of Submissions**

Number & Date	Submitter	Nature of Submission	Comment	Recommendation
1 (10-10-2018)	ATCO Gas	No objection.		Note submission.
2 (11-10-2018)	Main Roads WA	No objection. Lot 380 has access onto a local road and has no direct vehicular access onto North West Coastal Highway. It is considered unlikely that any future development would have a significant detrimental impact on the level of service, amenity or safety of users of the Main Roads network.		Note submission.
3 (29-10-2018)	Water Corporation	Reticulated water and sewerage is currently available throughout the subject area. The developer/disturber is expected to fund any new works required or the upgrading of existing works and protection of all works.	The comments are noted and will be addressed at the development stage. The onus will be on the developer to ascertain infrastructure requirements for future developments.	Note submission.
4 (30-10-2018)	Department of Health	No objection. The Department has no objection to the proposed amendment provided future developments are required to connect to scheme water, reticulated sewerage and be in accordance with the draft <i>Country Sewerage Policy</i> .		Note submission.
5 (30-10-2018)	Department of Biodiversity, Conservation and Attractions	No comment. It is anticipated that the scheme amendment and any associated environmental impacts will be appropriately managed through the existing planning framework.		Note submission.
6 (16-11-2018)	Wonthella Progress Association	Support. The proposed development of a Chemist would complement the already fantastic facilities available at the Fifth Street Shopping Centre.		Note submission.
