17th April 2012

Dear Bob,

The Great Northern Football League has recently completed discussions with Skywest Airlines to continue our partnership from 2011. Part of this agreement will see Skywest expand their deal to allocate each of the seven GNFL clubs five return flights between Geraldton and Perth for use during the 2012 season.

The initiative is set to further enhance our competition with the view to create a more vibrant competition attracting the best players from around the state, which in turn will increase the popularity and attendances at the games, benefiting local clubs.

As per our correspondence in March/April 2011 the Skywest Airlines offer requires the GNFL to pay the relevant taxes for these flights. As these taxes are quite substantial and with the GNFL operating on a minimal budget the requirement to pay these taxes may put an end to this exciting opportunity.

The GNFL is very grateful for the City of Greater Geraldton's decision to waive the passenger head tax in 2011 and we respectfully request that any taxes that can, be waived again for the season ahead.

Should you have any queries regarding this matter please don't hesitate to contact me on Mobile 0417 597 133 or Football Operations Manager, Rick Arthur on 9956 2186. I look forward to hearing from you at your earliest convenience.

Yours Truly
