Dear Council

SPOTLIGHT GERALDTON - APPLICATION PACKAGE FOR VARIATION OF TRADING HOURS 2016

Spotlight submits the below application for a variation of trading hours at the Geraldton store for your consideration. This request would enable the store to trade on the public holidays listed below as well as extend the normal trading hours on the listed key sales events.

The dates and times requested would bring the Geraldton store into alignment with other WA stores who already trade on these days and times and provides the same opportunity for our customers in the region to access our sale items, that other regions' customers are afforded. The proposed extended trading hours will result in additional economic activity for the region which in turn results in the store increasing its labour requirements for local team members. The specific variations requested are as follows:
