EXPO Introduction

Island tourism is the important growth of marine economy and it is the new blue ocean of tourism industry. International Islands Tourism Expo depends on the platform of International Islands Tourism Conference(IITCZS) and displays the tourism products of participating countries and cities. It makes the platform of dialogue exchange and cooperation of international island tourism to promote the overall promotion of marine island tourism industry. It achieves the mutual win and sharing of the conference harvest and cultivates the internationally renowned exhibition brand.
