

**City of Greater Geraldton
Town Planning Scheme No. 3 (Geraldton) – Amendment No. 69
Schedule of Submissions**

Submission Number & Date	Submitter & Affected Property	Nature of Submission	Comment	Recommendation
1 (29/04/2013)	Telstra	No objection.		Note submission
2 (10/06/2013)	Department of Health	All developments are required to comply with the provisions of the <i>draft Country Sewerage Policy</i> . Consider incorporating Health Impact Assessment (HIA) and/or Public Health Assessment (PHA) principles in your decision making process.	Noted, and servicing will be addressed at subsequent stages of the subdivision processes. The City is currently preparing a draft Public Health Plan to coincide with the Public Health Bill becoming law once passed by both Houses of Parliament.	Note submission
3 (12/06/2013)	Water Corporation	No objection to the development in principle; however, it is subject to the following advice: <ul style="list-style-type: none"> • Only compatible uses are supported within the buffer. 	The amendment proposes to include the land in the existing 'Restricted Use' schedule of the Scheme which prohibits caretaker's dwellings.	Note submission
