City of Greater Geraldton
City Council Chief executive officer Ross McKim

To Whom It May Concern we the Geraldton Greenough Rifle Club has had an agreement with the city council over the rates for the last 5 year and this has made a huge impact for our club which in return has helped us maintain the club in good order. We thank you for this as this agreement has come to an end we humbly request that we would be able to enter into an new agreement for the next 5 years as we are a nonprofit club and have a variety of member from all ages and genders whom would truly be thankful for this as the fees keep going up not all would be able to continue with there chosen sport. With kind regards.

Sincerely,

Ryan Secretary/ Treasure
