

Width of Road

Substandard Shoulders

Deterioration of Road

Dangerous Corners

Petition

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say there is a need to upgrade the Wubin – Mullewa Rd to safely occupy two passing vehicles.

Current and pressing issues include the increased potential of a fatality and constant windscreen/vehicle body damage due to largely increased heavy traffic.

Now we ask the Legislative Assembly

To now commit to ongoing yearly funding for the upgrade of the Wubin – Mullewa Road, until completion. The upgrade of the road needs to include extending it by eight meters and covering the surface with bitumen. Funds are to be allocated equally between the Shires of City of Geraldton (Mullewa) and Morawa.
