SUSTAINABILITY THEME

Governance

OBJECTIVES

To provide a framework and guidelines to assist the Council in determining when the City should provide financial assistance to Council members and employees for legal representation.

POLICY STATEMENT

Under the *Local Government Act 1995*, the City of Greater Geraldton is empowered to protect the interests of individual Council members and employees (including past members and former employees) where they become involved in legal proceedings because of their official functions.

In each case it will be necessary to determine whether assistance with legal costs is justified for the good government of the City.

This policy provides criteria & circumstances for assessing the appropriateness of expending City funds on the legal representation of Council members and employees.

 - 2.1.3. where exceptional circumstances are involved such that the Council member or employee is unable to continue to fulfill the functions of his or her office by reason of a loss of confidence in the individual – for example, where a person or organisation is lessening the confidence of the community in the local government by publicly making adverse personal comments about Council members or employees; or
