KEY TERM DEFINITION

City means the City of Greater Geraldton.

Record means any record of information however recorded and includes- anything on which there is writing, a map, plan, diagram or graph, a drawing, pictorial or graphic work, photograph; or anything from which images, sounds or writings can be reproduced.

Official Record is a record made or received by the Council / Elected Members in the conduct of its business. An official record may be paper-based and / or electronic. An official record may be held off-site.

Capture involves the management of official records in some form of logical sequence, which may be ensured by any of the following:

- classification and indexing, which allow appropriate linking, grouping, naming, security protection, user permissions and retrieval, disposition and identifying vital records;

- arrangement in a logical structure and sequence, whether a physical file or electronic directory, which facilitates subsequent user and reference;
- registration which provides evidence of the existence of records in a records system; and
- systems which profile or template the actions undertaken in business.

Disposal is the destruction of a record; the carrying out of any process that makes it impossible to reproduce the information in a record; the transferring or delivering ownership or possession of a record; or the selling of a record.

General Disposal Authority for Local Government – DA 2015-001/1 is the General Disposal Authority for Local Government Records compiled by State Records Office. It applies to the disposal of all records. This is irrespective of format or media and created/ received by any Local Government Authorities in West Australia. The City of Greater Geraldton uses this method of classification for disposal of records.

General Disposal Authority for Source Records – RD2016002 is the General Disposal Authority for Source Records. It applies to disposal (legal destruction) of physical format (source records) that have been successfully reproduced (digitized). The City of Greater Geraldton uses this method of classification for disposal of source records which have been reproduced.

EDRMS refers to the City’s electronic document records management system, currently Content Manager 9.
