## PROJECT DETAILS

<p><b>Project Title (brief and specific):</b> Eighth Street West Lighting Upgrade</p>	
<p><b>Project Description:</b></p> <p>The City of Greater Geraldton requires a 1/3 contribution from the CSRFF Small Grant fund to contribute towards installing 16 LED lights on four existing lighting towers at the 8<sup>th</sup> Street West Sporting precinct Wonthella Soccer Oval.</p> <p>The primary user group will be Soccer.</p> <p>Structurally, the current structures meet Australian standards (as vetted by City Engineers) however the lighting luminaire have reached the end of useful life and require renewal lights. It is anticipated with this renewal their life span will be longer than 10 years.</p> <p>Installing 16 LED lights will significantly improve the lighting quality for players and significantly reduce renewal and power costs for the sporting users.</p> <p>The City actively undertake renewal and action planned maintenance with the following works completed on the towers in 2018.</p> <ul style="list-style-type: none"> <li>• All control gear enclosures replaced with 316 stainless steel boxes, which are IP65 rated.</li> <li>• All poles meet loop earth impedance requirements.</li> <li>• A large portion of the wiring, RCD's, din rails, earth bars, wiring conduit replaced Six globes replaced.</li> </ul> <p>The control circuitry from towers to the clubrooms replaced with a compliant enclosure.</p>	
<p><b>How did you establish a need for your project?</b></p> <p>In 2017, the City of Greater Geraldton engaged with an electrical engineering firm 'Sage Consultants' to complete a Sporting Facilities Lighting Audit Report (attached).</p> <p>From the information that was generated from this report, City Officers generated a 'Sports Tower Lighting Review Summary' &amp; Sports Lighting Prioritization List'</p> <p>This report &amp; additional documentation was presented at the January 2018 Council Meeting with the applicable council resolution stating that;</p> <p>That Council by Simple Majority pursuant to Section 5.20 of the Local Government Act 1995 RESOLVES to:</p> <p>5. CONDUCT a further review of the remaining sporting leased light towers; and</p> <p>6. CONSIDER provision of additional funding in the 2018-19 capital works renewal budget to continue this project.</p> <p>From the findings of the review and City Officer investigations, Eighth Street West (Wonthella Soccer) lighting required attention and was a high priority.</p> <p>The Primary user group - La Fiamma Soccer Club has 196 members (130 juniors, 66 seniors) that participate in a number of local and state competitions. They traditionally train 2-3 nights a week, for three hours periods (under lights) between the months of February &amp; September (approx. 400 hours of lighting usage per annum).</p> <p>The secondary users will be Geraldton Hockey Club &amp; Sportsman's cricket club, who also have healthy memberships that would use the lighting for training and match preparation.</p> <p>The project aligns with the City of Greater Geraldton's Community Strategic Plan &amp; Corporate Business plan and compliments the City's focus on renewing existing infrastructures.</p>	
<p><b>What alternatives were considered and why were they rejected (e.g cost, suitability, feasibility)?</b></p> <p>City Officers investigated the feasibility of relocating the La Fiamma soccer club to another flood lit facility, however due to its proximity to members, clubrooms adjacent to the ground and its central location, City Officers identify that it was a valuable project and would be well utilised by the community in its current location.</p>	
<p><b>Have the full lifecycle costs of the project been considered and can you afford the ongoing costs of managing, maintaining and replacing the facility? Will a specific asset replacement fund be created?</b></p> <p>The City of Greater Geraldton have recently developed a comprehensive asset management system inclusive of Park/Sport lighting. The program ensure that all CGG assets are regularly inspected and maintained. As an item reaches end of life City ensure corrects capital/renewal funds are noted years in advance to allow the city to correctly budget for these items.</p> <p>The City have not previously applied for grant funding to assist with the renewal of sports Lighting at these.</p>	
<p><b>Project location:</b></p>	<p>8<sup>th</sup> Street West Sporting Precinct, 8<sup>th</sup> Street Wonthella, WA 6530</p>
<p><b>Land ownership:</b></p>	<p>Who owns the land on which your facility will be located? City of Greater Geraldton</p> <p>Lease Expiry (if applicable): N/A</p>

<b>Planning approvals</b>	N/A	If no, provide the date it will be applied for:		
<b>Where applicable, has planning permission been granted? (LGA)</b>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>	___/___/___		
<b>Aboriginal Heritage Act?</b>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>	___/___/___		
<b>Department of Biodiversity, Conservation and Attractions? (Environmental, Swan River)</b>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>	___/___/___		
<b>Native Vegetation Clearing Permit?</b>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>	___/___/___		
<b>Please list any other approvals that are required?</b>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>	___/___/___		
<p><b>How will your project increase physical activity?</b> The 8<sup>th</sup> Street West Sporting Precinct plays home to clubs from Soccer, Hockey &amp; Cricket in predominance.</p> <p>Allocating lighting that reaches 100 lux will allow further training and matches to be held at the ground and give the affiliated sports the opportunity to grow and expand.</p> <p>Due to sport playing a large part within the fabric of the Geraldton Community, this puts pressures on the already existing lighting infrastructure, which increases turf maintenance and reticulation costs.</p> <p>The installation of these LED' lights will reduce the pressure on other facilities therefore saving the City maintenance funds.</p>				
<p><b>Do you share your facility with other groups?</b> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> If so, who:</p> <ul style="list-style-type: none"> <li>• Geraldton Hockey Association</li> <li>• Sportsman's Cricket Club</li> </ul>				

List the main sport and recreation activities (maximum of 3) which will benefit from your proposal. Please indicate the approximate % usage of the facility (or part of the facility relating to this proposal).

Sport/community organisation	% use of the facility	Hours per week
La Fiamma Soccer Club	75%	12-20 (Mar-Sept)
Sportsman's Cricket Club	15%	4 (Oct-April)
Geraldton Hockey Association	10%	2 (Mar-Sept)

Activity/sport membership numbers over the past three years relevant to your project. For example, if a bowls project, golf members not relevant; social membership numbers not applicable.

Note: if membership is not applicable, ie recreation facility or aquatic centre, enter the number of users of the facility.

<b>2016/17</b>	188	<b>2017/18</b>	195	<b>2018/19</b>	196
----------------	-----	----------------	-----	----------------	-----

State Sporting Associations are involved in the assessment of applications and may be able to provide valuable information when planning you project, particularly in relation to technical design issues. They should be consulted as part of the application process. A complete list of State Sporting Associations and their contact details are is available on the department's website: <http://www.dsr.wa.gov.au/contact-us/find-a-sport-or-recreation-association>

<b>What is the name of the State Sporting Association for your activity/sport?</b>	
Football West	
<b>Have you discussed your project with your State Sporting Association?</b>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Contact Name: James Curtis – Chief Executive Officer	Date of contact: 2018

## PROJECT DELIVERY

Please indicate key milestones of your project. The key milestones need to be realistic and demonstrate that the project can be delivered in the timeframe.

Task	Date
Attainment of Council approvals	March 19
DLGSC Approval	Jun/Jul 19
Preparation of tender/quotes for the major works contract	Jul 19
Issuing of tender for major works	Jul 19
Signing of major works contract	Sep 19
Site works commence	Oct 19
Construction of project starts	Oct/Nov 19
Project 50% complete	Dec 19
Project Completed	Jan 20
Project hand over and acquittal	Jan/Feb 20

Are there any operational constraints that would impact on the construction phase of your project? (such as your sporting season, major annual event or inclement weather) – NIL

## GST

Grant payments are payable to the applicant/grantee only. This may have taxation implications for grantees. If grantees wish specific advice relating to their grant, this can be obtained from the Australian Taxation Office (ATO). Please note depending upon the value of the project and/or grant, the ATO may require an organisation be registered for GST. If the applicant is registered for GST, the grant is grossed up with the GST amount.

## PRIVACY STATEMENT AND STATEMENT OF DISCLOSURE

The Organisation acknowledges and agrees that this Application and information regarding it is subject to the *Freedom of Information Act 1992* and that the Grantor may publicly disclose information in relation to this Application, including its terms and the details of the Organisation.

Any information provided by you to DLGSC can be accessed by you during standard office hours and updated by writing to DLGSC or calling (08) 9492 9700. All information provided on this form and gathered throughout the assessment process will be stored on a database that will only be accessed by authorised departmental personnel and is subject to privacy restrictions.

DLGSC may wish to provide certain information to the media for promotional purposes. The information will only include the applicant's club name, sport, location, grant purpose and grant amount.

## APPLICANT'S CERTIFICATION

I certify that the information supplied is to the best of my knowledge, true and correct.

**Name:** David Emery

**Position Held:** Manager Sport & Leisure

**Signature:** TBA

**Date:** TBA

## LODGEMENT OF YOUR APPLICATION

- Applications including all attachments are to be received electronically and officially submitted to [csrff@dlgsc.wa.gov.au](mailto:csrff@dlgsc.wa.gov.au) by the cut off date. A hard copy can also be provided and should be clipped at the top left-hand corner, please do not bind.
- It is recommended that you **retain your completed application form**, including attachments for your own records and future audit purposes.
- All **attachments** and supporting documentation (see next section) should be **clearly named and identified** and submitted with the application form.
- **Applications must be submitted to your Local Government Authority** by the Local Government's advertised cut-off date to ensure inclusion at the relevant Council Meeting.

The following documentation must be included with your application. Applicants may wish to supply additional RELEVANT information.

### Grants up to \$66,666:

<input checked="" type="checkbox"/>	<b>Application form.</b>
N/A	<b>Incorporation Certificate.</b>
<input checked="" type="checkbox"/>	<b>Two written quotes.</b>
<input checked="" type="checkbox"/>	If your project involves the upgrade of an existing facility, include <b>photograph/s</b> of this facility.
<input checked="" type="checkbox"/>	<b>Locality map, site map and building plans</b> (in relevant constructions projects), including where the proposed facility is located in relation to other sport and recreation infrastructure.
N/A	<b>Income and expenditure statements</b> for the current and next financial years. (LGAs exempted).
N/A	<b>Written confirmation of financial commitments</b> from other sources including copies of <b>council minutes</b> . (If a club is contributing financially then evidence of their cash at hand must be provided).
N/A	For resurfacing projects, a written guarantee from the supplier of the product that clearly identifies the product's life expectancy.
<input checked="" type="checkbox"/>	<b>Itemised project cost for components</b> and identified on the relevant quote for each (including cost escalation).
<input checked="" type="checkbox"/>	For floodlighting projects, a <b>lighting plan</b> must be supplied showing lux, configuration and sufficient power supply

### Your application will be considered not eligible if:

- You have not discussed your project with the Department of Local Government, Sport and Cultural Industries and your State Sporting Association.
- You do not meet the eligibility criteria for the grant category to which you are applying.
- You have not included with your application all the relevant required supporting documentation. **There is no onus on Department staff to pursue missing documentation.**
- Applicants/projects that have received a CSRFF grant in the past and have not satisfactorily acquitted that grant. In some cases this may apply to localities where other significant projects have not been progressed or have not completed a previous project in accordance with the conditions of the grant provided. An assessment will be made in November and if no physical progress has occurred, new applications may not be recommended.
- It is not on the correct application form.
- The project for which application is made is specifically excluded from receiving CSRFF support.

## PROJECT BUDGET

### ESTIMATED EXPENDITURE

Please itemise the components of your project in the table below, indicating their cost and which quote or part of quote was used to estimate this. Quantity Surveyor costs will be accepted however the responsibility lies with the applicant to ensure the validity of the information. A contingency allowance is considered an acceptable component. *PLEASE ITEMISE BY COMPONENT (e.g changerooms, storage, kitchen) rather than materials (electrician, plumber, finishings).*

Project Description (detailed breakdown of project to be supplied)	\$ Cost ex GST	\$ Cost inc GST	Quote Used (list company name and quote no)
<b>PRELIMINARY</b>			
Mobilisation & Demob	\$2,000	\$2200	<i>Sage Consultants</i>
Earthing	\$1,000	\$1100	<i>Sage Consultants</i>
Club switchboard upgrade	\$15,000	\$16,500	<i>Sage Consultants</i>
<b>FLOODLIGHTING</b>			
LED floodlight supply	\$36,000	\$39,500	<i>Sage Consultants</i>
LED floodlight Install	\$12,000	\$13,200	<i>Sage Consultants</i>
<b>COMPLETION</b>			
inspect, test, commission	\$1,000	\$1,100	<i>Sage Consultants</i>
Night aim	\$1,000	\$1,100	<i>Sage Consultants</i>
Manual & Drawings	\$500	\$550	<i>Sage Consultants</i>
Defects Liability	\$500	\$550	<i>Sage Consultants</i>
<b>Donated materials (Please provide cost breakdown)</b>	NA	NA	
<b>Volunteer labour (Please provide cost breakdown)</b>	NA	NA	
<b>Sub Total</b>	\$69,000	\$75,900	
<b>Cost escalation</b>	110%		Total exc GST (Regional variation - Geraldton 110%)
<b>a) Total project expenditure</b>	\$75,900	\$83,490	

- At least **two written quotes** are required for each component.
- If your project is a floodlighting installation or upgrades, please ensure that the power supply is sufficient and no upgrade will be required. If upgrade is required and not budgeted for, the grant will immediately be withdrawn. A **lighting plan** must be supplied showing lux and configuration.
- Projects that do not meet **Australian Standards** are ineligible for funding.

## PROJECT FUNDING

Source of funding	\$Amount ex GST	\$ Amount inc GST		Funding confirmed Y / N	Comments to support claim (please attach relevant support)
Local government	50,600	55,660	LGA cash and in-kind		
Applicant cash			Organisation's cash		
Volunteer labour			Cannot exceed applicant cash and LGA contribution – max \$50,000		
Donated materials			Cannot exceed applicant cash and LGA contribution		
Other State Government funding					
Federal Government funding					
Other funding – to be listed			Loans, sponsorship etc		
CSRFF request (No Development Bonus)	25,300	27,830	up to 1/3 project cost	N	
or CSRFF request (Development Bonus)			Up to ½ project cost	N	
<b>b) Total project funding</b>	75,900	83,490	<b><i>This should equal project expenditure as listed on the previous page</i></b>		
<p><b>REQUIRED: If the funding approved is less than funding requested for this project, or the project is more expensive than indicated, where would the extra funds be sourced from? Is this funding confirmed? If the project scope would be reduced, which components would be revisited?</b></p>					
<p>The City of Greater Geraldton can internally source funds if required</p>					

### GST

Grant payments are payable to the applicant/grantee only. This may have taxation implications for grantees. If grantees wish specific advice relating to their grant, this can be obtained from the Australian Taxation Office (ATO). Please note depending upon the value of the project and/or grant, the ATO may require an organisation be registered for GST. If the applicant is registered for GST, the grant is grossed up with the GST amount.

<b>PROJECT:</b> WONTHELLA SOCCER	<b>JOB No.</b> 2734
<b>SECTION:</b> SPORTS LIGHTING	<b>DATE:</b> 13-12-2018

### 1 ELECTRICAL SUPPLY

- a. Upgrade the existing electricity supply from MSB-3 with 4C+E 35 mm<sup>2</sup> + 6E cabling in 80 mm conduit.
- b. The existing switchboards comprise a collection of distribution boards (an original steel switchboard and a number of added on plywood and plastic switchboards). These switchboards are inadequate to house the floodlighting switchgear and controlgear.

EXISTING CLUBHOUSE SWITCHBOARDS

- c. Retain the existing electricity supply to the clubhouse switchboards
- d. New clubhouse switchboard (AS/NZS 3439 Form 1, AS/NZS 60529 IP41 steel construction) replacing the collection of switchboards.
- e. Two underground sub-main cables with control cabling (North and South) from Clubhouse Switchboard to switchgear in poles (40 A, 4C+E 35 mm<sup>2</sup> + 6E in 80 mm conduit + Category 5 cable in 25 mm conduit)
- f. Control cabling in conduit from the Clubhouse Distribution Board to a Floodlighting Lighting Control Panel inside the Clubhouse
- g. Underground cabling, 750 BGL, with PVC tape 350 BGL.
- h. Trench with turf cutter minimum 50 mm thick, remove any spoil in 48 hours, backfill and compact in layers, replace turf same day, lightly compact, finish flush and neat, coordinate irrigation.
- i. Enclosures in each pole for main switches and floodlight RCD/circuit breakers
- j. Cabling from circuit breakers to floodlight drivers mounted in pole
- k. Multi-core cabling inside poles clamped to suspension wire from drivers to floodlights
- l. Cable to floodlights in flexible steel conduit with PVC sheath (cockatoo proofing)

### 2 LIGHTING

- a. Four 20 m HDG steel fixed poles on N32 concrete pile footings (14-day cure) located on the sides of the soccer pitch 5 m clear of the Principal Playing Area. Footings with non-slip surface, 150 AGL and with pole flange 80-110 above footing. Grout between flange

and footing with drainpipe. Spray pole base interior 1000 mm with fish-oil. Prepare, prime and apply two coats of two-pack epoxy-polyurethane paint to the poles.

© SAGE CONSULTING ENGINEERS PTY LTD

CHECKED BY.....

S:\2734 Wonthella Soccer\2734 Design Statement.doc

13/12/18

- b. Each pole with head-frame for three 1.5 kW LED sports floodlights (e.g. Philips Lighting Optivision, or Sylvania Raptor)

#### LED SPORTS FLOODLIGHTS

- c. Lighting to AS 2560.2.3 "Club competition and match practice" (100 lux, 0.5 min/ave, 0.3 min/max, 50 Glare Rating, 65 CRI) with DALI control to AS 2560.2.3 "Ball and physical training" (50 lux, 0.3 min/ave, 65 CRI) by means of "PerfectPlay".
- d. Obtrusive light limited to AS 4282 Commercial Areas, Level 2 Control.
- e. Controls: 100 lux ON/50 lux ON/OFF push buttons, North and South, in a Floodlighting Floodlight Control Panel inside the Clubhouse
- f. Curfew control by astronomical time switch to prevent floodlights operating late at night and during the day (10 pm to sunset)
- g. Remove existing floodlights and pole, and dispose of off site. Excavate, capsize and bury existing concrete footings, backfill, compact and re-instate turf

La Fiamma Sporting Club (Inc) since 1959  
Salvatore Sciuto Stadium  
Eighth St Wonthella WA 6530

[lafiammajuniors@gmail.com](mailto:lafiammajuniors@gmail.com)

16/07/18

To whom it may concern,

The elected committee of La Fiamma Sporting Club would like to share it's support in the City of Greater Geraldton's proposed project for the replacement of our existing floodlights with new L.E.D lights.

La Fiamma S.C. has been an established sporting club in the Geraldton community for the last 60 years. Within the Geraldton leagues we are represented in the juniors, women's & men's competitions. Regularly we are required by the Midwest Soccer Association to host games on weeknights. We also host a local Women's team called Saints, who also utilise this resource.

La Fiamma also participates in the Perth metropolitan soccer league which entails us hosting a team from Perth every second week during the season (approximately 14 local matches). These games are played on Saturday evenings which requires the Perth teams to stay overnight, bringing additional revenue to the Midwest.

During the summer, on a Friday night our club hosts a 7 a-side Night Series competition which has been a very successful and popular event participated by a variety of corporate businesses within the community.

Additionally, Football West, during regional visits utilise our grounds for holding coaching clinics & information sessions throughout the football calendar. These events are held during the evening, engaging junior, senior, and women football players and coaches. Our most recent event included Matilda's Tanya Oxtoby who currently coaches in the women's league in England.

Thank you for your consideration with this matter & if you require any further information please do not hesitate to contact us.

Kind Regards,

La Fiamma S.C. Secretary
