The Geraldton Turf Club would like to invite the City of Greater Geraldton (CGG) to hold a Corporate Day, titled the "Lord Mayor's Cup", to be held on Monday March 3 (Public Holiday). The Lord Mayor's Cup is intended to be a community family day out, thus strengthening the relationship between the City and its residents through a positive and fun social and sporting event.

About the Geraldton Turf Club

Geraldton Turf Club has been an integral part of the Geraldton community since 1861 and is one of the oldest established race clubs in Western Australia. It has raced at its present location in the Geraldton suburb of Ukatarra for 80 years.

Geraldton racing has a connection with many outstanding racehorses over many years including Perth Cup winner Gurkha, Karrakatta Plate winner Rare Sovereign and WA Derby winner Beaujolais Boy.

It is renowned as the regional centre for thoroughbred racing in the Mid West and is one of Geraldton's premier social events venues.

The not-for-profit organisation provides employment and career opportunities in the region and other community benefits by engaging volunteers and supporting local charities with special fundraising race day events.

It strives to attract visitors from across the State, thus bringing people to the region and turning GTC into a premier racing attraction.

GTC's facilities mean it is not only suited all year round training and racing. In recent years there has been a significant upgrade to facilities creating an excellent venue for a broad range of events including the Caravan and Camping Show, large and small wedding receptions, quiz nights, fundraising events, school camps and special occasion parties.
