The CEO

City of Greater Geraldton

63 Cathedral Avenue

Geraldton, WA 6530

Dear Sir, I offered to donate two residential blocks of land at Mullewa to the City.

That offer was declined, giving the reasoning, but supporting gifting of this land back to the Crown.

I thank the City for the help provided with the appropriate procedure and have forwarded the paperwork to Lands WA. Under these circumstances, is it possible to grant a waiver of payment of the rates on these blocks, Lots 24 (37 Short St) and 35 (35 Short St) until advice is received from Lands WA?

Yours faithfully
