RE: Application for partial Lease 6 Evans Road Walkaway

The Walkaway Sporting Complex INC would like to apply to lease a portion of the land we are currently using. A map marking the suggested area has been given to city representative Wendy Ackton in a recent meeting.

Our incorporated body consists of three clubs. Walkaway Polocrosse Club, Greenough Polocrosse Club and the Walkaway Pony Club. For the past 53 years our combined clubs have used and helped maintain the grounds and buildings at 6 Evans Rd.

Each club has approximately 40 playing members plus their partners and families. The grounds committee supports a large part of the Walkaway sporting community.

Please consider our application and put it forward to council at the first available opportunity.

Thank you for your time.

Yours faithfully

Jenny Martin
