Dear Lyn,

I am writing in regards to an application made for rates exemption for the Pindar Progress Association (PPA).

The reason for the application for rates exemption is that the new annual rates is no longer able to be sustained by our small not for profit organisation. The rates for our block where our country club is situated, have risen from \$161 to \$688 in just one year.

PPA paid an amount of \$688 via cheque on the 13 September 2013 and it would be much appreciated if we could be reimbursed for this amount.

I have attached the copy of the invoice for which it was paid from for your records.

Please also find our rates exemption application along with this letter to support our reasons for a credit of rates for 29 Sharpe Street, Pindar.

If you require any further help with this please don't hesitate to contact me on the above number or by email: [melita@activ8.net.au](mailto:melita@activ8.net.au)

Kind Regards,
