

AGENDA FORUM

20 OCTOBER 2026

Departmental Guideline for Agenda Forums

Council Forums

Local government forums range from a once-only event to discuss and explore a particular issue, a number of sessions to address matters such as a specific project or the compilation of a report for internal or external use, through to forums held at regular intervals with a consistent structure and objectives.

Regular forums run in local governments exhibit two broad categories which we have titled *agenda* and *concept*. They are differentiated by the stage of development of issues which are discussed by elected members and staff. The two types are described below along with the variations in procedural controls and processes suggested for each.

Agenda Forums

For proper decision-making, elected members must have the opportunity to gain maximum knowledge and understanding of any issue presented to the Council on which they must vote. It is reasonable for elected members to expect that they will be provided with all the relevant information they need to understand issues listed on the agenda for the next or following ordinary Council meetings. The complexity of many items means that elected members may need to be given information additional to that in a staff report and/or they may need an opportunity to ask questions of relevant staff members.

Many local governments have determined that this can be achieved by the elected members convening as a body to become better informed on issues listed for council decision. Such assemblies have been termed *agenda forums*. It is considered they are much more efficient and effective than elected members meeting staff on an individual basis for such a purpose with the added benefit that all elected members hear the same questions and answers.

To protect the integrity of the decision-making process it is essential that *agenda forums* are run with strict procedures.

There must be no opportunity for a collective council decision or implied decision that binds the local government to be made during a forum.

Agenda forums should be for staff presenting information and elected members asking questions, not opportunities to debate the issues. A council should have clearly stated rules that prohibit debate or vigorous discussion between elected members that could be interpreted as debate. Rules such as questions through the chair and no free-flowing discussion between elected members should be applied.

Procedures Applying to Both Concept and Agenda Forums

The Department recommends that councils adopt a set of procedures for both types of forums which include the following:

- Dates and times for forums should be set well in advance where practical;
- The CEO will ensure timely written notice and the agenda for each forum is provided to all members;

- Forum papers should be distributed to members at least three days prior to the meeting;
- The mayor/president or other designated elected member is to be the presiding member at all forums;
- Elected members, employees, consultants and other participants shall disclose their financial and conflicts of interest in matters to be discussed;
- Interests are to be disclosed in accordance with the provisions of the Act as they apply to ordinary council meetings. Persons disclosing a financial interest will not participate in that part of a forum relating to their interest and leave the meeting room;
- There is to be no opportunity for a person with an interest to request that they continue in the forum; and
- A record should be kept of all forums. As no decisions will be made, the record need only be a general record of items covered but should record disclosures of interest with appropriate departures/returns.

Procedures Specific to Agenda Forums

The Department recommends that councils adopt specific procedures for *agenda forums* which include the following:

- Agenda forums should be open to the public unless the forum is being briefed on a matter for which a formal council meeting may be closed; and
- Items to be addressed will be limited to matters listed on the forthcoming agenda or completed and scheduled to be listed within the next two meetings (or period deemed appropriate).

AGENDA REFERENCE:	D-26-121764
AUTHOR:	H Martin, Manager City Growth
EXECUTIVE:	T Free, Director Development Services
DATE OF REPORT:	5 October 2026
FILE REFERENCE:	RO/12/0001
ATTACHMENTS:	Yes (x1) Request Letter - Main Roads WA - Rudds Gully Road - Brand Highway and Edward Road Intersections

EXECUTIVE SUMMARY:

The purpose of this report is to seek Council approval to request the Minister for Planning and Lands dedicate land as a road under section 56 of the *Land Administration Act 1997*. The dedication is required to facilitate a Main Roads Western Australia project involving the widening of sections of Rudds Gully Road and Geraldton Walkaway Road (Edward Road). The road widening will enable the safe transport of oversized wind turbine components from the Port of Geraldton.

EXECUTIVE RECOMMENDATION: That Council by Simple Majority pursuant to Section 56 of the *Land Administration Act 1997* RESOLVES to:

1. REQUEST the Minister for Planning and Lands to dedicate as a road the land identified on Main Roads WA Drawing Numbers 2660-105, 2660-107, 2660-108, 2660-109 and 2660-127 as land required for road purposes, upon confirmation from Main Roads WA that the land has been acquired for use by the public; and
2. INDEMNIFY the Minister for Planning and Lands, in accordance with the requirements of section 56(4) and section 56(6) of the *Land Administration Act 1997*, against any claim for compensation (not being a claim for compensation in respect of land referred to in section 56(6) of the *Land Administration Act 1997*) in an amount equal to the amount of all costs and expenses reasonably incurred by the Minister for Planning and Lands in considering and granting Council's request.

PROPOSER:

The proponent is Main Roads Western Australia (MRWA). MRWA is responsible for the acquisition of the subject land, construction of the road widenings and all associated costs.

BACKGROUND:

MRWA is proposing road upgrades to facilitate the safe transport of oversized wind turbine components from the Port of Geraldton, including turbine blades up to 91m long and 5m wide, and tower sections up to 37m long with a maximum diameter of 6.5m.

These improvements require the widening of the following sections of road:

- Rudds Gully Road either side of the intersection with the Brand Highway; and
- Geraldton Walkaway Road (Edward Road) either side of the intersection with Moonyoonooka-Narngulu Road.

Plans depicting the land required for road widening are provided as Attachment No. DS110 - Request Letter - Main Roads WA - Rudds Gully Road - Brand Highway and Edward Road Intersections.

Section 56 of the *Land Administration Act 1997* requires that for this land to be dedicated as a road the City must make a request to the Minister for Planning and Lands. MRWA has written to the City asking that it resolve to make such a request.

Section 56 of the *Land Administration Act 1997* requires that, before the City can make such a request, the land must be either acquired or reserved for use by the public. MRWA has confirmed that they are in the process of acquiring the land. Any resolution to request the Minister for Planning and Lands to dedicate the land as a road should therefore be conditional upon receiving confirmation from MRWA that the land has been acquired for public use.

**CONNECTED, LIVEABLE, THRIVING, LEADING –
ISSUES AND OPPORTUNITIES:****Connected:**

Improving the transport network to support the safe and efficient movement of oversized freight strengthens connectivity between the Port of Geraldton, industry precincts and regional destinations.

Liveable:

Road upgrades improve the functionality and safety of key transport corridors, supporting a more reliable and efficient road network for all users.

Thriving:

Enhanced access for oversized freight will support investment in major projects, strengthen the Port of Geraldton's role as a regional economic hub and facilitate economic growth across the region.

Leading:

The project demonstrates collaborative planning between the City, MRWA and industry stakeholders to support regional development and future infrastructure needs.

Disclosure of Interest:

No Officer involved in the preparation of this report has a declarable interest in this matter.

RELEVANT PRECEDENTS:

Council last considered the dedication of land as public road for road widening on 30 April 2024 (Item No. DS034 – Marine Terrace Roundabout Project), and before that on 26 November 2019 (Item No. DCS431 - Proposed Road Widening and Dedication - Cnr Broadhead Avenue and Brand Highway, Tarcoola Beach).

COMMUNITY/COUNCIL MEMBER CONSULTATION:

Public notice of the proposed road dedication was published in the Geraldton Guardian newspaper on 11 September 2026. The notice invited submissions on the proposal until 5 October 2026. No submissions were received.

MRWA is responsible for communicating with landowners affected by any land acquisition required for the proposed road widening.

LEGISLATIVE/POLICY IMPLICATIONS:

Section 56 of the *Land Administration Act 1997* and Regulation 8 of the *Land Administration Regulations 1998* provide for the dedication of public roads. Where land is acquired for use by the public under the care, control and management of a local government, the local government may request the Minister for Planning and Lands to dedicate that land as a road reserve.

If Council does not resolve to dedicate the land as a road, MRWA can arrange a transfer of land pursuant to section 168(5) of the *Planning and Development Act 2005*.

FINANCIAL AND RESOURCE IMPLICATIONS:

All costs associated with the dedication of the land as a road and the road's construction will be borne by MRWA.

The proposed road widening will have minor resource implications for the City. The works proposed by MRWA at the Rudds Gully Road and Brand Highway intersection overlap with the City's previously planned Regional Road Group (RRG) project at that location. To avoid duplication and maximise the benefit of available funding, the City is amending its RRG project by relocating the proposed works to the intersection of Rudds Gully Road and Goulds Road.

INTEGRATED PLANNING LINKS:

Strategic Theme: Connected	An engaged and diverse community where everyone feels included and safe.
Goal 2	Foster collaborative partnerships to improve community safety, security and social cohesion.
Strategic Theme: Liveable	A protected and enhanced natural environment with facilities and services to support community health and wellbeing.
Goal 2	Improve maintenance and connectivity of the City's transport network, including expanded active transport opportunities.
Strategic Theme: Thriving	An economically diverse and prosperous City, driving sustainable growth while preserving our local spirit.

Goal 2	Support and champion our diverse mix of industries, encouraging innovation and local employment opportunities.
Goal 3	Plan for the sustainable growth of the City, balancing the needs of current and future populations.

REGIONAL OUTCOMES:

The proposed road widening will enhance the Port of Geraldton's capacity to accommodate the safe and efficient transport of oversized freight, supporting regional economic development and major infrastructure projects.

RISK MANAGEMENT:

Potential risks associated with the proposed works are being managed by MRWA through detailed design and project planning processes. City Officers will continue to work with MRWA to identify, assess and address any risks that may arise, including impacts on City infrastructure, operations and ongoing road management responsibilities.

ALTERNATIVE OPTIONS CONSIDERED BY CITY OFFICERS:

No alternative options were considered by City Officers.

MRWA investigated alternative road alignment options during the planning phase of the project. Those alternatives were subsequently discounted by MRWA based on financial viability prior to seeking the City's involvement in the proposal.

	Draft Council Policy 1.3 Heritage (v6)

EXECUTIVE SUMMARY:

The purpose of this report is to seek Council approval of Council Policy 1.3 Heritage, version 6. This policy has undergone its biennial review, with no significant changes required.

EXECUTIVE RECOMMENDATION:

That Council by Simple Majority pursuant to Section 2.7 of the *Local Government Act 1995* RESOLVES to:

1. APPROVE Council Policy 1.3 Heritage, version 6.

PROPONENT:

The proponent is the City of Greater Geraldton (the City).

BACKGROUND:

In 2014 the City of Greater Geraldton (the City) was named the winner of the State Heritage Awards in the category of "Outstanding Heritage Practices by a Local Government". This award recognised the City's development of a Heritage Strategy, unique within local government at the time. An action item which resulted from this new strategy was the endorsement of Council Policy 023 Heritage. This policy was the precursor to Council Policy 1.3 Heritage.

Council Policy 1.3 Heritage has been reviewed to align with its biennial review cycle. The amendments made were not of a significant nature and primarily involved the updating of references to the former Heritage Advisory Committee, which was reformed in 2025 as the Greater Geraldton Heritage Reference Group.

CONNECTED, LIVEABLE, THRIVING, LEADING – ISSUES AND OPPORTUNITIES:**Connected:**

The built and social heritage of the region is highly regarded by the community. People are drawn to communities with a strong sense of historical identity, material heritage and culture. As the intent of this Policy is to guide best practice and strategic direction regarding the recognition, conservation and promotion of local heritage, failure to do so may reflect adversely on the community's view of the Council.

Liveable:

The Policy supports the protection of local heritage, contributing to a strong sense of place and community identity.

Thriving:

Cultural heritage is a demonstrated economic asset and is regarded as one of the most significant and fastest-growing components in the global tourism industry. Attracting tourists to the region and providing a broad range of visitor experiences may encourage tourists to stay longer. Cultural heritage tourism provides opportunities for the diversification of local business, the creation of new business ventures, City activation and placemaking.

Leading:

Council Policy 1.3 Heritage aligns with the City's Heritage Strategy which provides several prioritised actions based around the themes of *knowing*, *protecting*, *supporting* and *communicating*. The City's Heritage Reference Group bases its feedback to Council on prioritised actions as outlined in the Heritage Strategy.

Disclosure of Interest:

No Officer involved in the preparation of this report has a declarable interest in this matter.

RELEVANT PRECEDENTS:

Council policies are reviewed and endorsed by Council on a regular basis. Council Policy 1.3 Heritage was last approved by Council on 29 October 2024 (Item No. CC024).

COMMUNITY/COUNCIL MEMBER CONSULTATION:

Council Policy 1.3 Heritage v6 was considered by the Executive Management Team on 23 September 2026 with no changes proposed. Consultation for council policy reviews is not required unless there are significant changes to the policy. There are no significant changes proposed to the draft policy.

LEGISLATIVE/POLICY IMPLICATIONS:

This Policy recognises the role that the *Heritage Act 2018* and associated regulations and the *Aboriginal Heritage Act 1972* play in providing clear policies and guidelines which align with the legislative framework for the City's statutory obligations. In addition, this Policy recognises that the Local Heritage Survey (LHS) (formerly known as the Municipal Inventory), adopted by Council on 15 December 2015 (Item No. DRS241) as the Heritage List, or any subsequent updated version, will guide the identification and recording of places that are, or that might become, of cultural heritage significance. The LHS is a starting resource for local heritage planning and has no statutory role.

FINANCIAL AND RESOURCE IMPLICATIONS:

There are no financial or resource implications.

INTEGRATED PLANNING LINKS:

Strategic Theme: Connected	An engaged and diverse community where everyone feels included and safe.
Goal 3	Support and celebrate the City's diverse community through programs, initiatives and events that build social connections.
Goal 4	Be an inclusive City by promoting and celebrating the full diversity of our community, including cultures, identities, backgrounds and abilities.
Strategic Theme: Thriving	An economically diverse and prosperous City, driving sustainable growth while preserving our local spirit.
Goal 5	Support and promote diverse tourism offerings, making the City a destination of choice.

REGIONAL OUTCOMES:

The broader Mid West region encompasses a rich heritage comprising stories from the land, sea and of the people who have resided in the area for tens of thousands of years. From Yamatji history and culture to early sea exploration and settler history, agriculture, mining and other industries, up until the modern day, the City plays an important role in the protection and celebration of heritage in the Mid West region.

RISK MANAGEMENT:

Ensuring that the Council Policy Register is current and comprehensive supports the role of Council in the good governance of the City of Greater Geraldton.

ALTERNATIVE OPTIONS CONSIDERED BY CITY OFFICERS:

The Council may choose to consider alternative amendments to the policy, this is a matter for the Council.

The statement is to be accompanied by documents containing an explanation of material variances and such other supporting information as is considered relevant by the local government.

Each financial year, a local government is to adopt a percentage or value to be used in statements of financial activity for reporting material variances. The materiality threshold adopted by Council are variances that are greater than 10% of the current budget or a value greater than \$50,000.

Regulation 35 of the *Local Government (Financial Management) Regulations 1996* also requires the local government to prepare a statement of financial position as at the last day of the previous month.
