We the undersigned object to the allocation of crown land for the use of a "Pop-Up" shop Café on the beach side of the Geraldton Foreshore without public consultation when said land became no longer of cultural significance, and to the "Fee" the lessee will pay.

(A land area of 130m2 and paying annual fee of \$3948 plus GST or approximately \$30.36c per square metre per annum.)

The area in this picture is not showing the correct area for the building which will be 4 times larger than shown with the removal of the tree. The area in the picture is in fact showing the 24sqm being paid for by the Jaffle Shack excluding the other 106sqm alfresco at no cost.
