To the City of Greater Geraldton,

The Geraldton Triathlon Association currently has a license to make use of the brick shed located at Rundle Park in Bluff Point for the use of storage of our equipment.

The license is due to expire on the 7th of January 2018.

We would like to apply to continue to make use of this facility as it is vital to the continued successful operations of our club.

The Geraldton Triathlon Association would like to formally request that we renew our license to continue to use the brick shed located at the northern of Rundle Park.

Yours Sincerely
