Mayor
City of Greater Geraldton

Geraldton WA 6530

We The residents and electors of Sunset Beach and surrounding areas request the City of Greater Geraldton RE-CONSIDER the proposal of moving the Spalding Horse and Pony Club from this area.

Insert relevant group, organisation, residents, electors) request the City of Greater Geraldton (state request/preferred course of action and list on each page of the Petition).

For the following reasons (state reasons)

We enjoy seeing the children riding their horses on the grounds and hearing them being instructed.
We are very happy to know that disabled children are being helped by doing horse riding which is all conducted by volunteers from members and their horses from the Spalding Horse and Pony Club.
We would hate to see all of this moved and the area filled up with housing.
