

PETITION TO THE CITY OF GREATER GERALDTON

Submitted under the City of Greater Geraldton Meeting Procedure Local Law 2011, Clause 5.10

To:

The Mayor
City of Greater Geraldton
PO Box 101
Geraldton WA 6531

Request:

We, the undersigned residents and electors of the City of Greater Geraldton, request the City of Greater Geraldton stop using glyphosate based herbicides on all council managed and public land and transition to safe, non-toxic alternatives within 12 months.

For the following reasons:

Glyphosate is classified as a probable human carcinogen, and we want to stop exposing our children, pets and wildlife to this. Safer, non-toxic alternatives are available.

Principal Petitioner / Contact for this Petition:

Name: Denver Hopkinson
Submitted as: An individual, representing the local community
Address: 1 Grant Street, Beachlands WA 6530
Telephone: 0457 771 503

(For the City's use in relation to this matter, and for advising the petitioners of the outcome of the petition.)

Attached:

Signed petition pages recording the names, addresses, signatures and dates of signing of the electors supporting this request, in accordance with Clause 5.10 of the City's Meeting Procedure Local Law 2011.

PLEASE PRINT CLEARLY — illegible entries are invalid.

State the Request on each page: We request the City of Greater Geraldton stop using glyphosate-based herbicides on all council managed public land and transition to safe, non-chemical alternatives within 12 months
