ACCOMPANYING MATERIAL

The provision of sufficient information accompanying an application for planning approval will ensure that the application will:

- Be considered entirely on its merits but with regard to the public interest; and
- Dealt with in an expeditious and efficient manner.

More specifically, it will enable Council (and its authorised officers) as the responsible decision-making authority to:

- Have a reasonable understanding of the general nature and processes of the development proposed.
- Gauge the likely impact and effect of the development proposed on the local neighbourhood in which it is proposed and the community overall; and
- Determine whether the development controls can be met and the objectives of both the zone in which the development proposed it to take place and the Scheme overall can be achieved.

Unless, the Local Government waives any particular requirement, every application of planning approval is to be accompanied by:

- a) A covering letter outlining the general nature of the proposed development and where relevant:
 - i. A description of processes involved, with particular reference to the likely emission of any noise, vibration, smell, light, electrical interference, fumes, smoke, dust, oil and other waste products, vehicular traffic generation, and whether safety of health hazard to nearby residents and/or occupiers of land and buildings.
 - ii. The number of persons proposed to be employed in the undertaking of the development.
 - iii. The date and hours of operation of the development.
 - iv. The nature and extent of any machinery proposed to be used in the operation of the development (including likely noise levels to be generated); and
 - v. The number of vehicles to be used in connection with the undertaking and operation of the development.
- b) Three (3) copies of the plan or plans to a scale of not less than 1:100 showing:
 - i. The location of the site, including street names, lot numbers, north point and the dimensions of the site.
 - ii. The existing and proposed ground levels over the whole of the land, the subject of the application and the location, height and type of all existing structures, and structures and vegetation proposed to be removed.
 - iii. The existing and proposed use of the site, including proposed hours of operation, and buildings and structure to be erected on the site.
 - iv. The existing and proposed means of access for pedestrians and vehicles to and from the site.
 - v. The location, number, dimensions and layout of all car-parking spaces intended to be provided.
 - vi. The location and dimension of any area proposed to be provided for the loading and unloading of vehicles carrying goods or commodities to and from the site and the means of access to and from those areas.
 - vii. The location, dimensions and design of any open storage or trade display area and particulars of the manner in which it is proposed to develop the same; and
 - viii. The nature and extent of any open space and landscaping proposed for the site.
- c) Plans, elevations and section of any buildings proposed to be erected or altered and of any building it is intended to retain.
- d) Any specialist studies that Local Government may require the applicant to undertake in support of the application, such as traffic, heritage, environmental, engineering or urban design studies; and
- e) Any other plan or information that the Local Government may require to enable the application to be determined.
